

201884
VO M3
Attachment optics

- For light spot focusing, the light spot size is $\varnothing 0.5$ at a distance of 8 mm

Technical data (typ.)

Thread	M3
Light aperture	axial
Housing material	Aluminum
Component	Attachment optics
To be used for	Plastic fiber optics
Working distance	8.0 mm
Ambient temperature during operation	-40 ... +70 °C

+20°C
