

Adapter ring set

-
- A 3D perspective diagram of a grey mechanical component. The component has a central circular hole with a dashed outline and a U-shaped notch on the right side. Two blue rings are shown being pushed into the component: one into the central hole from above, and another into the U-shaped notch from below. Black arrows indicate the direction of force applied to the rings.

+20°C, 24 V DC

Plastic (PA, 6.6)

Adapter ring set

ORSD 20 P2K-IBS

Each with two adapter rings Ø 10 mm / Ø 15 mm
