

## 回源第回 210490 第四章 MC 25 回题 S MS con

## ₩ MS connecting cable RS485

- Flexible lead design
- Good stripping properties
- Shielded

| Function |  |  |  |  |  |  |  |  |  |  |  |            |   |
|----------|--|--|--|--|--|--|--|--|--|--|--|------------|---|
|          |  |  |  |  |  |  |  |  |  |  |  | $\epsilon$ | 7 |

| Technical data (typ.) | +20°C, 24 V DC                         |  |  |  |  |  |  |
|-----------------------|--|--|--|--|--|--|--|
| Length                | 25,000 mm                              |  |  |  |  |  |  |
| Operating principle   | Connecting cable RS485                 |  |  |  |  |  |  |
| Design                | flying leads                           |  |  |  |  |  |  |
| Characteristics       | Shielded                               |  |  |  |  |  |  |
| Application           | Connection of MS-CTx interface modules |  |  |  |  |  |  |
| Design                | Serial RS485 cable                     |  |  |  |  |  |  |
| Connection            | flying leads, 5-pin (flying leads)     |  |  |  |  |  |  |
| Connection 2          | 5-pin (flying leads)                   |  |  |  |  |  |  |
