

- Polarization filter
- To reduce glare or reflections
- Quick and easy mounting

1) Adhesive film
2) Protective film

3) Polarization direction parallel to flat area

Technical data (typ.)

+20°C, 24 V DC

Assembly

Using adhesive film

Housing dimensions

D 62.6 mm / d 37 mm

Component

Polarization filter

To be used for

Ringlight BEK-R33 ...
