

### Technical data (typ.)

|                 |                              |
|-----------------|------------------------------|
| Service voltage | 5 V                          |
| Length          | 5,000 mm                     |
| Component       | Cable connection             |
| Design          | Straight / straight          |
| Connection      | Socket, M12, 12-pin, A-coded |
| Connection 2    | Socket, Sub-D, 9-pin         |
