

Inductive proximity sensor

-
- Technical drawing of a 1/2 inch x 20 thread rod. The drawing shows a side view of the rod with a hexagonal nut and two washers. Dimensions include a total length of 68, a threaded section length of 37, a hex nut height of 8, and a thread specification of M12x1 at both ends. A callout '1' points to the bottom thread specification.

WH: white
