CS60-UP-MEAS-LIZENZ

CS60 Upgrade Lizenz

- The CS60-UP MEAS LICENSE extends the sensor with the functions of measuring angles, measuring circles, measuring distances from line to line, from points to lines and from points to points.
- To activate the upgrade, the license file is simply transferred to the sensor using the nVision-i Start interface.
- The serial number of the device is required for the license creation. Please enter the serial number in the comment field when placing your order.
