

Câble de raccordement

-
- A blue coiled cable with a connector on one end and a frayed end on the other. The cable is shown in a loose coil, with the connector end at the bottom right and the frayed end at the top left. The connector is a blue, cylindrical plug with a textured base. The frayed end shows multiple individual wires.

WH: blanc

[illegible]

+20°C, 24 V DC

Longueur	5.000 mm
